***SBC IP Communications, Inc. Petition for Limited Waiver of Section 52.15(g)(2)(i) of the
Commission's Rules Regarding Access to Numbering Resources, CC Docket No. 99-200***

Dear Ms. Dortch:

On behalf of SBC Communications (SBC) and SBC IP Communications, Inc. (SBCIP), Dorothy Attwood, James K. Smith and Jack Zinman met with Jessica Rosenworcel, legal advisor to Commissioner Copps, on October 14, 2004 to discuss the above-referenced proceedings. Specifically, we urged the Commission to expeditiously declare that IP-enabled services are interstate information services subject to federal jurisdiction. We also reiterated the points SBCIP made in its above-referenced petition for limited waiver of the Commission's numbering rules. We explained how granting SBCIP's petition would further the Commission's mission to promote the deployment of new technologies and services while ensuring the efficient use of numbering resources consistent with federal and state number conservation efforts. All of the positions expressed during the meeting were consistent with the filings by SBC and SBCIP in the above-referenced proceedings.

Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission.

Sincerely,

/s/ *Jack Zinman*
